

PARENT WEEKLY NEWSLETTER

Greetings ERIE Families:

We are off to a great start to the school year here at Erie. Thank you very much to everyone for their help and support to start the year off strong. Please make sure we update final forms, as this is where most of the communication from our building will come from. We have our spirit week this week, and would love to see everyone participate!

I look forward to partnering with you and your children throughout the school year to provide a productive and safe learning environment that supports student success. Please ensure that your child is in school and on time every morning!

Ms. Julie Taylor,
Principal
